

New Break Through in Counter or Table top Refinishing!

Looks Like Corian

We would like to introduce you to our company, **Craftsman Refinishing**. During the past several years we have specialized in servicing commercial properties such as Restaurants, Hotels, Motels, Apartments, Housing Authorities and Real Estate Companies. We maintain our excellent reputations by providing a high quality product with prompt professional service at a fair price.

Craftsman Refinishing specializes in the resurfacing of Formica or Tile Counter or Table tops. We pride ourselves on providing quality workmanship along with prompt courteous service. Our technicians receive superior training and use state of the art equipment. Our products and materials are the finest available in the refinishing industry today.

Our on-site refinishing process is the most economical way to revitalize Formica or Tile Counter or Table Tops at the fraction of the replacement cost. In just a matter of hours your counter or table tops are quickly transformed to a beautiful Corian or Granite looking finish that not only meets, but actually exceeds original manufacturers' specifications for stain and acid resistance when comparing the cost of refinishing to those associated with replacement. I am sure you will agree our service will provide you with exceptional cost control while upgrading your counters or tables to the highest possible standards.

We understand scheduling flexibility is essential and our commercial customer's needs are always a priority. We are fully insured for \$2,000,000 (two million) and offer an excellent warranty plan on our refinishing.

We would like to work with you and would be delighted to answer any questions you may have. Please give us a call at **916-929-8827** and we can provide you with an estimate, most repairs are included.
